Clermont County Park District Community Parks Grant Program

It is with great pleasure that the Clermont County Park District announces the 2017 Community Parks Improvement Grant Program. It is designed to help Clermont County communities make improvements to their parks. The Board of Park Commissioners has authorized the distribution of up to \$100,000.00 for the 2017 program. Each application can be for up to \$20,000.00.
