2023 Day Camp Additional Information

We are excited to have you join us this year! Here are a few things to keep in mind in order to help your camper have a fantastic experience at day camp.

- **Food:** Campers should bring lunch and a snack. Food should not require refrigeration or reheating. Food sharing is prohibited.
- **Water:** Bring plenty of water in a reusable water bottle! Campers should carry their water bottle with them throughout the day, and we will refill bottles at several points during the day.
- **Severe weather:** Camps will take place rain or shine. In the event of thunderstorms or tornados, campers will seek shelter at a designated tornado shelter on-site. If inclement weather persists, parents or guardians will be contacted for early pickup.
- **Early/late arrival or pickup:** Please let us know if you will be early or late for camper dropoff or pickup. We will attempt to accommodate if possible.
- **Sunscreen and insect repellent:** Campers should bring sunscreen and insect repellent. Naturalists will remind campers to reapply, but will not assist in application.
- **Poison ivy and insect stings:** Staff naturalists will instruct campers in recognizing poison ivy and stinging/biting insects. If an exposure or sting/bite occurs, naturalists will provide campers with basic first aid.
- **Ticks:** Staff naturalists will instruct campers to recognize ticks, and will remind campers to check for ticks throughout the day. We encourage parents or guardians to check their camper for ticks at the end of each day. Additional information about tick prevention can be found at https://www.cdc.gov/ticks/avoid/on_people.html
- **Clothing:** Campers should dress to be outdoors based on the weather! Old clothes and sturdy closed-toe shoes or boots are essential. Bring sandals, water shoes, or old sneakers to wear in the creek (**NO crocs or flip-flops!**). Please bring raincoats or a poncho if forecast predicts rain.
- **Backpack:** Campers should bring their lunch, creek shoes, water bottle, and sunscreen/insect repellent in a backpack that they can carry with them throughout the day.
